

To let our media become even more controlled by the mega corporations would be a most disturbing development. In order for a Democracy to properly function, it needs diversity. Allowing the likes of Rupert Murdoch (sp?) access to cross-ownership of our media could have disasterous consequences. Remember, the airways are public property! The selling off of our domain to the media robber barrons has been the FCC's greatest failure. Please do the right thing and do not allow these disinformation mongers more controll over our media.
